

POLE CLASS

LEARN HOW TO POLE DANCE!

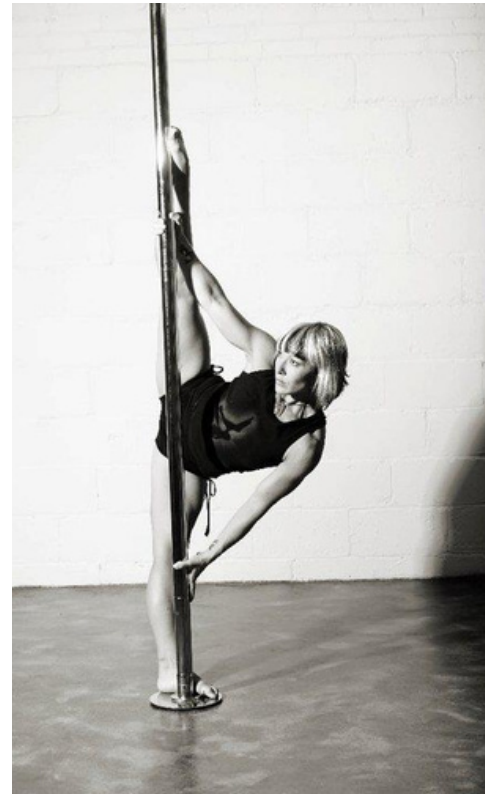

A fun, exciting and interactive class with your friends.

Stacey has been professionally performing and pole dancing for 30 years and teaching for 16 years. It is her passion to pass along the beauty and art of this style of dance to people and allow them to become more open and loving of themselves.

You will not only learn how to work with the pole as a dance partner, but it will bring out your inner child with the fun of spinning!

She will lead you step by step with each move, building on a routine.
